

Marine S.A.T.

Non-Toxic for Reef Tanks and Saltwater Aquariums

General Information. Marine SAT clarifies your tank throughout the water column, around surfaces and live rock. *Marine SAT makes maintenance much more effective and easy* (but does not eliminate maintenance). Marine SAT is not intended for new tank cycling or start up. To cycle a new tank, or for general tank maintenance, use TLC for Saltwater Aquariums.

Dosage Instructions.

FOR EXISTING PROBLEMS: Dose **ONCE A WEEK** until problem is solved. Use ONE OUNCE for every 10 GALLONS of tank volume. (Example: Assume tank volume = 50 gallons. Use 50/10 = 5 ounces of Marine SAT). Switch to maintenance dose after solving problem..

MAINTENANCE DOSE: Dose **once per month**, using one ounce for every 10 gallons of tank volume.

Contains live bacteria. Do not freeze. Store at room temperature.

CAUTION! Keep out of the reach of children. Do not ingest. If splashed in eyes, rinse with water for ten minutes. Avoid contact with open wounds. Wash contacted skin with soap and water.
